

# TN Early Childhood Program Administrator (TECPAC)

**TN EC  
Program  
Administrator  
Credential:  
Where Do I Start?**

*Your life only gets better  
when you do.  
Your staff only get better  
when you become a better  
manager.  
Go to work on yourself!  
—Brian Tracy*

**The ROADMAP** to the state administrator credential is based on an administrator's early education and management knowledge and is available to all family providers, group providers and center directors in Tennessee.

**YOUR TRAVEL GUIDES** are the TECTA staff who are available to support you in your professional development and educational journey assisting you in planning the direction you want to go!

**STEER** yourself towards your local TECTA site to learn about Credential at area Interest Meetings and local conferences.

**FULL SPEED AHEAD** to the **Administrator Academy!**

- Leadership
- Core Standards
- Evaluation
- Administration/Management Coursework

**Design your Itinerary**  
by completing the **INITIAL Application**

## FUELED & READY

Administrators who have completed some early childhood college classes may be ready to become a candidate for the administrator credential.

**GEAR UP** for the journey!  
The destination is toward a highly competent and effective early childhood leader and administrator.

The Department of Human Services has packed the suitcase by providing funding for the first 100! **BE ONE**
